REQUEST TO WITHDRAW THE HOLDING OF ABANDONMENT UNDER 37 C.F.R. 1.181

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sirs:

This application has been indicated as abandoned, but Applicants respectfully request that the Notice of Abandonment be withdrawn.

The application purports to be abandoned because Applicant failed to file drawings as required by the Notice of Allowance. In fact, however, the Notice of Allowance does not indicate that any drawings were due. While the Notice of Allowability erroneously indicated that corrected drawings as replacement sheets were required, no corrections were indicated by the Examiner's comment and amendment, nor were any drawing changes indicated on any paper mailed 2009-03-17. In other words, the check box on the Notice of Allowability was incorrectly checked.

Earlier, the undersigned telephoned the office to confirm that this box had been checked in error.

In light of the foregoing, it is respectfully requested that the holding and abandonment be withdrawn and that the application be passed to issue immediately. Of course, to the extent that any

additional drawing corrections are requested, Applicant's will supply same promptly; however, it is believed that the application should be in condition for issuance.

No fee is believed due for this request, but to the extent that a fee is requested, please charge same to Deposit Account 061135.

Respectfully submitted,

Date: July 16, 2009
